Projects and Engagement

Do you have an idea for a **sustainable project** or would you like to develop a new idea together?

We warmly invite you to our **SHAPE workshop** where we explore your **passion**, define your **vision** and **brainstorm ideas** for a sustainable future.

Get coaching from our team of experts! With likeminded students you will learn the **skills to transform** your project ideas into reality.

The workshops will also prepare you to apply for the SHAPE **project funding** of up to 2000 CHF.
